21 February 2014

Dear Shareholder,

Proposed Placing of 53,846,153 new Ordinary Shares at a price of 13 pence per Ordinary Share and Notice of General Meeting

1. Introduction and summary

Your Board announced today that it has conditionally raised £7 million (before expenses) by way of a placing of 53,846,153 new Ordinary Shares at a price of 13 pence per share with certain institutional and other investors.

The Placing is conditional, *inter alia*, upon the Company obtaining approval from its Shareholders to disapply pre-emption rights and to grant the Board authority to allot the Placing Shares. Completion of the Placing is therefore conditional upon the passing of all of the Resolutions set out in the Notice of General Meeting at the end of this document.

The Placing, which has been arranged by N+1 Singer pursuant to the terms of the Placing Agreement, is also conditional upon Admission and has not been underwritten by N+1 Singer. The Placing proceeds will be used to further implement the Company's growth strategy and improve the Company's net debt position, further details of which are set out in paragraph 2 below.

The purpose of this document is to provide you with information about the background to and the reasons for the Placing, to explain why the Board considers the Placing to be in the best interests of the Company and its Shareholders as a whole and why the Directors unanimously recommend that you vote in favour of the Resolutions to be proposed at the General Meeting, which will be held at the offices of the Company at 33 King William Street, London, EC4R 9AS on 11 March 2014 at 10:00 a.m.

2. Background to and reasons for the Placing and use of proceeds

The purpose of the Placing is to raise funds to be used by the Company to implement the next phase of its growth as well as reducing debt (and thereby its interest charge) and improving the ability of the Group to develop its income stream.

Over the last two years, the Group has successfully grown its operations through a combination of acquisitions and start-ups and the Directors now believe that the Group is a well-integrated marketing and communications group with an expanding international presence. The Group is now cash generative and Newgate Communications, the Group's public relations business, was ranked the fastest growing agency in the Holmes Report's Global and UK Agency Rankings 2013*.

The Board believes that it is the right time to embark on the next phase of growth and is in preliminary discussions in relation to a number of potential acquisitions. All of these are expected to conform to the Directors' acquisition rationale to accelerate geographic expansion, bring in additional communications consulting skills, broaden the Group's service offering and expand the team of consultants with existing client relationships. Furthermore and as part of the Company's selection criteria, any acquisition will usually be expected to be earnings accretive within the first full year following acquisition.

*the Holmes Report, 2013 Agency Rankings, Fast Movers Global and UK available at <http://worldreport.holmesreport.com/growth#global>

The identified acquisition targets are in the UK advertising and public relations sectors. The Board believes that both of these sectors offer significant growth opportunities for the Group. The total consideration for the proposed acquisitions is expected to be approximately £12.1 million, of which approximately £7.7 million is expected to be funded with cash and with the balance funded through the issue of Ordinary Shares. The acquisitions are expected to add a combined annual fee income of approximately £8.75 million and net profit of approximately £1.75 million to the Group. With regard to the acquisitions, £0.4 million of the proceeds from the placing announced by the Company on 10 December 2013 will be used to partially fund one of the acquisitions. Approximately £4.0 million of the cash consideration is expected to be deferred over a 12 month period and this is expected to be funded from the Group's operating cash flow.

The Board believes that issuing additional new Ordinary Shares as part of the consideration for the potential acquisitions is an important part in motivating and retaining the equity owners of those companies once they are part of the enlarged Group and expects such owners to be subject to appropriate lock-in arrangements.

Shareholders should note that while a number of acquisition targets have been identified and some preliminary discussions have taken place, there is no guarantee that such acquisitions will reach a successful conclusion. In the event that the proposed acquisitions do not complete, the proceeds of the Placing will be used for general working capital purposes and potentially to fund other unidentified acquisitions.

In addition to the Group's acquisition strategy, the Group has the opportunity to acquire the remaining 20 per cent. of Newgate Threadneedle which it does not already own. Newgate Threadneedle is a financial public relations agency covering small and mid-cap listed companies and is ranked number one AIM financial public relations adviser by number of clients[†]. The Group has agreed to pay a total cash consideration of £0.9 million for this 20 per cent. interest and expects to complete this acquisition following Admission and will then own 100 per cent. of Newgate Threadneedle. Based on the current financial performance of Newgate Threadneedle, this acquisition is expected to be earnings accretive.

As at 31 December 2013, the Group had unaudited cash balances of £0.8 million and unaudited debt of £5.4 million comprising:

Discounted bond with a related party, nominal interest rate of 12 per cent., maturing February 2016 at £2.8 million	£2.0m
Secured bank loan, nominal interest rate of 2.75 per cent. over base rate, maturing September 2014	£0.65m
Convertible loan, nominal interest rate of 12 per cent., maturing July 2014	£0.6m
Convertible loan, nominal interest rate of 12 per cent., maturing August 2014	£1.2m
Convertible loan, nominal interest rate of 12 per cent., maturing October 2014	£0.5m
Loan with a related party, nominal interest rate of 12 per cent., maturing March 2014	£0.45m
Total	£5.4m

The Directors intend to use approximately £2.4 million of the proceeds from the Placing to reduce the Group's net debt to approximately £2.2 million. As well as strengthening the Group's balance sheet, the Directors expect this debt repayment to reduce the Group's annual interest charge by approximately £0.3 million.

A summary of the intended use of the Placing proceeds is as follows:

Acquire the 20 per cent. minority holding in Newgate Threadneedle	£0.9m
Proposed acquisitions	£3.3m
Debt reduction	£2.4m
Transaction expenses	£0.4m
Total	£7.0m

3. Trading update

On 23 January 2014, the Company announced the following trading update for the year ended 31 December 2013:

“The trading performance of the Group in the final quarter of the year was very strong and in line with management’s expectations.

During the last three months, the Company produced a positive EBITDA of approximately £0.65m after all costs including start-up costs. After adding back non-recurring costs, the Group achieved an annual EBITDA run rate of approximately £4.0 million for the three months ended 31 December 2013. The Directors believe that this is a clear indication of the rapid progress made by the Group during the last year.

Public Relations

Newgate Communications, the Group’s global public relations division, achieved a number of new business wins throughout the year, but in particular in the last quarter as a result of improved activity in stock markets allied with our growing international capability. The Directors believe that Newgate Communications will continue to show strong growth in the new year.

The Group’s expansion into Asia Pacific has, the Directors believe, been very successful and is likely to play a significant role for the Group going forward. The Newgate operation in Australia, which only started in June, finished the year with over 70 clients and made a very positive contribution to the Group. The Group’s other two start-ups in Hong Kong and Singapore also performed well in what were difficult market conditions. A positive contribution from both of these operations is expected in the current year.

The trading performance of Newgate Threadneedle was helped significantly by the increase in IPO activity on the London Stock Exchange’s AIM market towards the end of 2013. This resulted in the division achieving a record year in terms of clients, fees and profits. The volume of IPO’s in the UK markets looks likely to be sustained which bodes well for 2014.

Advertising and Marketing

TTMV, the Group’s consumer agency, continued to trade strongly late in the year as a result of good activity levels over the Christmas period.

The Directors believe that the Group’s start-up financial and charities agency, 21:12 and its studio 24-7, are on track for 2014.

Outlook

The board of the Company has, it believes, now achieved its initial strategy to build a profitable global marketing and communications group predominantly by start-ups. While the Directors expect there to be further small start-ups during the current year, the thrust of the second phase of the Group’s strategy will see a balance between organic and acquisition led growth as the Company seeks to achieve critical mass in all of its operations. The Directors believe that the opportunities available to the Group give grounds for a high level of optimism for the future.”

In addition, the Company now expects to report revenue and fee income for the six months ended 31 December 2013 of approximately £14.0 million and £6.9 million, respectively.

4. The Placing

The Company has conditionally raised £6.6 million (net of expenses) through the issue of the Placing Shares at the Placing Price, which represents a discount of 9.57 per cent. to the closing middle market price of 14.375 pence per Existing Ordinary Share on 20 February 2014, being the latest Dealing Day prior to the publication of this document. The Placing Shares will represent approximately 24.9 per cent. of the Company’s issued ordinary share capital immediately following Admission.

The Placing Agreement

Pursuant to the terms of the Placing Agreement, N+1 Singer has conditionally agreed to use its reasonable endeavours, as agent for the Company, to place the Placing Shares with certain institutional and other investors. The Placing has not been underwritten by N+1 Singer. The Placing Agreement is conditional upon, *inter alia*, the Resolutions being duly passed at the General Meeting and Admission becoming effective on or before 8.00 a.m. on 12 March 2014 (or such later time and/or date as the Company and N+1 Singer may agree, but in any event by no later than 8.00 a.m. on 26 March 2014). If any of the conditions are not satisfied, the Placing Shares will not be issued and all monies received from the placees will be returned to them (at the placees’ risk and without interest) as soon as possible thereafter.

The Placing Agreement contains warranties from the Company in favour of N+1 Singer in relation to, *inter alia*, the accuracy of the information in this document and other matters relating to the Group and its business. In addition, the Company has agreed to indemnify N+1 Singer in relation to certain liabilities it may incur in respect

of the Placing. N+1 Singer has the right to terminate the Placing Agreement in certain circumstances prior to Admission, in particular, in the event of a material breach of the warranties given to N+1 Singer in the Placing Agreement, the failure of the Company to comply with any of its obligations under the Placing Agreement (in such a way that, in the reasonable opinion of N+1 Singer adversely affects, or makes it inadvisable to proceed with the Placing), the occurrence of a *force majeure* event or a material adverse change in (amongst other things) the financial or political conditions in the United Kingdom (which in the reasonable opinion of N+1 Singer adversely affects, or makes it inadvisable to proceed with the Placing), any circumstance arising giving rise to a claim under the corporate finance indemnity or an adverse change affecting the business of the Group (which is material in the context of the Placing).

Settlement and dealings

Application will be made to the London Stock Exchange for the Placing Shares to be admitted to trading on AIM. It is expected that Admission will occur and that dealings will commence at 8.00 a.m. on 12 March 2014 on which date it is also expected that the Placing Shares will be enabled for settlement in CREST.

The Placing Shares will, when issued, rank *pari passu* in all respects with the Existing Ordinary Shares including the right to receive dividends and other distributions declared following Admission.

5. Director's Dealings and Related Party Transactions

A company beneficially owned by Bob Morton and his wife, and Gene Golembiewski are participating in the Placing at the Placing Price as described below:

	<i>Amount subscribed (£)</i>	<i>Number of Placing Shares</i>	<i>Number of shares held including the Placing Shares</i>	<i>Percentage of Enlarged Share Capital</i>
Hawk ¹	399,999.99	3,076,923	31,842,552	14.74%
Gene Golembiewski	99,999.90	769,230	769,230	0.36%

Note¹: 500,000 of these Ordinary Shares are held by Hawk Pension Fund Limited, a company beneficially owned by Bob Morton.

The conditional agreement to subscribe for Placing Shares entered into by Hawk, combined with the related party loan announced by the Company on 8 March 2013 and participation in the placings announced on 28 February 2013 and 10 December 2013, is classified as a related party transaction under the AIM Rules.

Hargreave Hale, a substantial shareholder of the Company (as defined by the AIM Rules) is investing approximately £800,000 in the Placing. Hargreave Hale's participation in the Placing, together with their participation in the placings announced by the Company on 28 February 2013 and 10 December 2013 is deemed to be a related party transaction under the AIM Rules.

The Independent Directors consider, having consulted with the Company's nominated adviser, N+1 Singer, that the terms of both Hawk's and Hargreave Hale's participation in the Placing, combined with the related party loan announced by the Company on 8 March 2013 and both Hawk's and Hargreave Hale's participation in the placings announced on 28 February 2013 and 10 December 2013, are fair and reasonable insofar as its Shareholders are concerned. In providing advice to the Independent Directors, N+1 Singer has taken into account the commercial assessments of the Independent Directors.

6. The General Meeting

Set out at the end of this document is a notice convening the General Meeting to be held on 11 March 2014 at 33 King William Street, London EC4R 9AS at 10:00 a.m., at which the Resolutions will be proposed for the purposes of implementing the Placing.

Resolution 1, which will be proposed as an ordinary resolution and which is subject to the passing of Resolution 2 and to the Placing Agreement becoming unconditional and not being terminated in accordance with its terms, is to authorise the Directors to (i) allot the Placing Shares in connection with the Placing, and (ii) otherwise allot relevant securities up to £6,000,000 in nominal value (representing 28 per cent. of the issued share capital following Admission) provided that such authority shall expire on the date falling 18 months after the date of the resolution or the next annual general meeting of the Company, whichever is the earlier.

Resolution 2, which will be proposed as a special resolution and which is subject to the passing of Resolution 1 and to the Placing Agreement becoming unconditional and not being terminated in accordance with its terms, disapplies Shareholders' statutory pre-emption rights in relation to (i) the issue of the Placing Shares, and (ii) the allotment of shares in connection with a rights issue and grants further authority to allot equity

securities for cash on a non-pre-emptive basis up to an aggregate nominal amount of £5,000,000 (representing approximately 23 per cent. of the issued share capital following Admission) provided that such authority shall expire on the date falling 18 months after the date of the resolution or the next annual general meeting of the Company, whichever is the earlier.

The Directors consider it desirable that the specified amount of authorised but unissued share capital in resolution 1 is available for issue and that they be empowered pursuant to resolution 2 to allot equity securities for cash other than in accordance with the statutory pre-emption rights so they can more readily take advantage of possible opportunities and expect these authorities to be used in connection with the acquisitions outlined in paragraph 2 of this document or any other acquisitions that may be completed prior to the renewal of these authorities at the next annual general meeting of the Company.

7. Action to be taken

A Form of Proxy for use at the General Meeting accompanies this document. The Form of Proxy should be completed and signed in accordance with the instructions thereon and returned to the Company's registrars, SLC Registrars Limited at Thames House of Portsmouth Road, Esher, Surrey KT10 9AD, as soon as possible, but in any event so as to be received by no later than 4:30 p.m. on 7 March 2014. The completion and return of a Form of Proxy will not preclude Shareholders from attending the General Meeting and voting in person should they so wish.

8. Recommendation

The Directors consider the Resolutions to be in the best interests of the Company and its Shareholders as a whole and accordingly unanimously recommend Shareholders to vote in favour of the Resolutions to be proposed at the General Meeting as they intend to do so in respect of their beneficial holdings amounting, in aggregate, to 36,113,961 Existing Ordinary Shares, representing approximately 22.3 per cent. of the existing issued ordinary share capital of the Company.

Yours faithfully

*Bob Morton
Non-Executive Chairman*

 - (a) the allotment of 53,846,153 new ordinary shares of 10 pence each in the capital of the Company in connection with the Placing;
 - (b) the allotment of equity securities in connection with an invitation or offer of equity securities to the holders of ordinary shares in the capital of the Company on a fixed record date in proportion (as nearly as practicable) to their respective holdings of such shares or in accordance with the rights attached to such shares (but subject to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to fractional entitlements or as a result of legal or practical problems under the laws of, or the requirements of any regulatory body or any stock exchange in, any territory or otherwise howsoever); and

and unless previously renewed, revoked, varied or extended this power shall expire on the earlier of the conclusion of the next annual general meeting of the Company and the date falling 18 months after the date of the passing of this resolution except that the Company may before the expiry of this power make an offer or agreement which would or might require equity securities to be allotted after such expiry and the directors may allot equity securities in pursuance of such offer or agreement as if this power had not expired.

Notes:

1. A member who is entitled to attend, speak and vote at the meeting may appoint a proxy to attend, speak and vote instead of him. A proxy need not be a member of the Company but must attend the meeting in order to represent you. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares (so a member must have more than one share to be able to appoint more than one proxy). A proxy must vote in accordance with any instructions given by the member by whom the proxy is appointed. Appointing a proxy will not prevent a member from attending in person and voting at the meeting (although voting in person at the meeting will terminate the proxy appointment). A Form of Proxy is enclosed. The notes to the Form of Proxy include instructions on how to appoint the chairman of the meeting or another person as a proxy. You can only appoint a proxy using the procedures set out in these Notes and in the notes to the proxy form. To be valid the Form of Proxy must reach the Company's registrar, SLC Registrars Limited at Thames House, Portsmouth Road, Esher, Surrey KT10 9AD by 4:30 p.m. on 7 March 2014.
2. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), only those shareholders registered in the register of members of the Company at 6:00 p.m. on 7 March 2014 (or, if the meeting is adjourned, at 6.00 p.m. on the day preceding the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. In each case, changes to the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
3. Please note that communications regarding the matters set out in this Notice of General Meeting will not be accepted in electronic form.
4. In the case of joint holders of shares, the votes of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.
5. A member that is a company or other organisation not having a physical presence cannot attend in person but can appoint someone to represent it. This can be done in one of two ways; either by the appointment of a proxy (described in note above) or of a corporate representative. Members considering the appointment of a corporate representative should check their own legal position, the Company's articles of association and the relevant provisions of the Companies Act 2006.
